

These last few weeks has seen us enter extraordinary times, the likes of which most of us have never experienced. I would like to re-assure you on behalf of everyone at Dream Medical Limited, its business as usual. Our clients & locums are at the heart of all we do, so our work to introduce great people to great clients continues to be at the forefront of our business.

That said, the health, safety and welfare of everyone in our community are paramount so, taking advice from our Government and the World Health Organisation we have made some changes to the way we are working to help maintain and mitigate the spread of the COVID-19 virus.

Everyone in our business can work remotely and we have tried and tested systems in place, with the help of our amazing IT partner, to ensure that we are very well connected as teams, remaining productive and delivering the high level of service our locums and clients expect from us.

Dream Medical remains committed to supporting our locums and clients and we will do everything in our power to maintain a smooth service to all, however if there are other ways that we can support you, please let us know.

Email: enquiries@dream-medical.net

Tel: 01183212820/01189255338

We wish you all the very best of health – stay safe.

Kind Regards,

Sonia Browne
Managing Director
